Information for the Buyer

FREE FREIGHT OFFER - The American Polled Shorthorn Society will reimburse any purchaser, or group of purchasers, who buy and ship a carload of ten lots or more from this International Sale to one destination, up to a maximum of \$200.00. To qualify for this freight subsidy the final destination must be 300 miles or more away from Chicago, Illinois, and receipted paid transportation bill must be presented.

MAIL BIDS - Those unable to be present who desire to take advantage of the buying opportunities in this sale, may rest assured that mail or wire bids will be honestly and faithfully executed. Any of the following competent men will be happy to handle buying orders for you.

Representing **AMERICAN SHORTHORN BREEDERS' ASSOCIATION**
Clinton K. Tomson Clem Larson Ted Aegerter Stan Perkins

Representing **THE SHORTHORN WORLD**, 16 South Locust St., Aurora, Ill.
Merv Aegerter Hal Longley Don Longley Ned Place

SHIPPING ARRANGEMENTS - It is the obligation of the consignors and this Society to see that all cattle are properly loaded on cars or trucks as directed by the buyers for immediate shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition. **BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS WITH THE SALE CLERK.**

LIABILITY - Although every precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Society, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

TERMS - The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

INSURANCE - Coverage may be secured effective at the time of sale.

GUARANTEE - All animals sold in this Sale will be backed by the Standard Guarantee endorsed by the American Shorthorn Breeders' Association.

AUCTIONEER: C. D. SWAFFAR, TULSA, OKLAHOMA

Clinton K. Tomson, Sale Manager
AMERICAN POLLED SHORTHORN SOCIETY
cooperating with
AMERICAN SHORTHORN BREEDERS' ASSOCIATION

Standard Guarantee
OF
AMERICAN SHORTHORN BREEDERS
ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bangs Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this Sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

Polled Shorthorns

The Modern Hornless Head Plus Quicker Beef & More Of It

LOT 1 BULL

A. G. SCHUBERT

GLEN KNOLLS VICTOR 2D x2533749 RE-204

GLEN KNOLLS VICTOR 2D - This solid red son of, the King of Sires, Collynie Monarch, was first prize Senior Yearling at the Ohio State Fair. He is from the very dependable Missie family that produced the ideal type Polled Shorthorn bull, Glen Knolls Monarch, now being used by Lynnwood Farms.

1949

*International
Grand Champion
Bull*

C H Royal Leader by Edellyn Royal Leader 2d, bred and exhibited by Cherry Hill Farms, Glyndon, Md. to the Grand Championship of the 1949 International, was a low-set, stylish senior bull calf that combined the masculinity, good breedy head and substance sought in a herd bull. The type and conformation of this calf made him an important subject for student and breeder study. Few bulls of greater popularity have been shown at the International in recent years.

LOT 2 BULL

Pollydee 2d x2040499
Red, W.A. Bland

LYNNWOOD CORONET - is by Lynnwood Masterstroke, Grand Champion bull at the 1947 and 1948 Indiana State Fair and first prize two year-old at the 1948 International, that now heads the herd of R. Cormack Armstrong of Teeswater, Ontario. The dam, Vanity Pollydee, was Champion female in a strong Missouri State Sale. Her first calf has also been in our show herd this year and last and never stood lower than fourth - and that was the 1949 International in a very strong Junior Heifer calf class.

*1949 International
Grand Champion
and High Selling
Polled Shorthorn
Female*

Nonpareil Coronita 12th, by King of the Vanities, bred and shown by Lewis W. Thieman, Concordia, Mo., was declared 1949 Grand Champion Polled Shorthorn female at the International Live Stock Show.

The veteran exhibitor, Lewis W. Thieman, with the triumph of this 1949 Grand Champion female, had shown twelve International Grand Champions during the prior thirteen years of the show. With the entry in to the ring of the senior heifer calves, the ringside and the judge were attracted to the Thieman entry by the tremendous depth of body, great thickness of natural fleshing and shortness of the squarely placed legs of this flashy daughter of King of the Vanities.

Nonpareil Coronita 12th provides a pattern of cattle improvement worthy of special study. The youngest entry of twenty three, she stood next to the Reserve Champion at the American Royal National Show (where Shorthorns and Polled Shorthorns competed together) in one of the 1949's strongest classes of females. Her breeding, individuality and record justified her topping the 1949 International Polled Shorthorn Sale at less than 12 months old, going to Gunn Farms, Greenfield, Indiana.

Polled Shorthorn Quality Is Never an Accident

Polled Shorthorns are a sound economic and financial investment. The dollar may change in value, but an efficient working herd of registered Polled Shorthorns is the greatest possible assurance for future economic security. Polled Shorthorns have more to offer cattlemen than any of the other naturally hornless breeds... all the advantages of greater weight for age, increased milk capacity, early maturity and grading up ability of the Shorthorn, plus the greater efficiency per animal unit where dehorning is unnecessary. Polled Shorthorns are good doers, good foragers, and have an unexcelled ability for turning good grass into good flesh efficiently and easily. They are profitable and popular in feedlot and pasture because of their excellent dispositions and natural hornlessness.

CARONA BELLE 13TH - is out of a solid red good producing cow and by the 1948 International Reserve Champion bull. She has done well on the show circuit this season and sells open. Calfhood Vaccinated for Bangs.

*It Pays
To Buy
The Best*

In 1948 J. W. Bennett & Sons, Winona, Wash. showed the outstanding heifer, Hildale Augusta May, at the International Live Stock Show, where she was awarded the Grand Championship. Her sire, Alauna Collynie, was Grand Champion and high-selling bull of the 1946 Polled Congress. She was purchased in the International Polled Shorthorn Sale for \$3,600. by Lynnwood Farms, Carmel, Ind. . . . establishing a new record price for a Polled Shorthorn female at public auction.

At Lynnwood she was mated to Glen Knolls Monarch . . . also a top-selling bull consigned to an International Sale by A. G. Schubert of Hamilton, Ohio.

This picture shows her with an outstanding calf at foot resulting from this mating. The calf will gain weight rapidly because of the ample supply of her dam's milk, so indicative of the good Polled Shorthorn mother.

It takes champions to produce champions . . . it pays to buy the best.

Polled Shorthorns

The Breed with the Brightest Future

Polled Shorthorns are the nation's quickest converters of grass and roughage into cash. The Polled Shorthorn head is the head of the future. You'll buy them ultimately as the most efficient type of all modern beef cattle . . . why not start with them now? Their easy-feeding dispositions not only help toward quicker maturity, but also make them pleasant and safe in feedlots and pastures. Polled Shorthorns are a joy to own, pleasant to work with, return maximum profits on your investment and are truly America's own breed.

LYNNWOOD AUGUSTA A - This daughter of Lynnwood Nugget has about as many names of cattle in her pedigree for which the Hultine and Fred Johnson herds have been noted as is possible to get in one pedigree.

Your Greatest Return Per Cattle \$

A breeder soon learns that he can't afford to buy anything but the right kind if he has any hope of being successful, either in the purebred or commercial cattle business. Polled Shorthorns are the kind that will help you achieve the utmost per dollar invested. Feeders and packers demand hornless cattle, and more and more producers are finding how easy it is to dehorn the Polled Shorthorn Way. Polled Shorthorns give you those X-tra profits which come in saving dehorning cost and shrink, shed room and shipping space, plus the extra in packers' checks for cattle minus horn bruises.

L - G ROYAL ROSEWOOD 5TH - Here is a heifer that certainly is outstanding as an individual as well as top breeding. Note she is by Oakwood Leader and out of the dam sired by an International Grand Champion. Her dam is one of our top producing cows. Calfhood Vaccinated for Bangs. This same line of breeding has produced Oakwood's Champion Bull Oakwood Bequest.

Polled Shorthorns On the March

Polled Shorthorns are an all-American product, developed by thinking breeders because of popular demand with an eye to what the future cattleman will find the most profitable. Keep pace with this growing demand. Give practical stockmen what they are asking for. Breed Polled Shorthorns - the modern type of beef production.
